**Subject:** Target World: GSSF - Fall Series - First Match of Three Results - 10/14/17  
**Attachments:** GSSF Fall 2017 101417.pdf

**Greetings, Target World GSSF Shooters.**

We had yet another great turnout for the Glock Sport Shooting Foundation (GSSF) match held on Saturday, October 14, 2017. We greatly appreciate your continued support. This was the first match of three for the 2017 Fall Series. Great people, great friends, and great shooting. What more could anyone ask for? We are indeed humbled by the opportunity you give us to provide for your shooting needs. ***The results of the first match are attached.***

**New GSSF Shooters At Target World:**

On behalf of the entire staff at Target World and all the current GSSF members, we welcome all the new shooters to Target World and the Glock Sport Shooting Foundation.

***Please Welcome Kevin Moore, Titus Moore, Jim Kraemer, Timothy Rouse, Collin Snyder, and Roseanne Cannon.***

**These are the remaining dates for Target World GSSF matches in 2017:**

Fall Series: ~~10/14/17~~, 11/18/17, and 12/16/17.

**Perfect People:**

*\*Congratulations to the Pocket Glock shooters who achieved a Perfect 250 on the Pocket Glock Course of Fire: Christopher Digges, Brian Biltz, and Brian Kral.*

**New Criteria For Senior Division:**

*\*The age requirement to qualify for the Senior Division is now 55 and older.*

**Junior Shooters:**

We ask you to please bring your junior shooters with you for the November match. Shooting in a GSSF Match is far safer than any other shooting environment to which they may be exposed. Juniors who participate are taught and supervised by you and our Range Safety Officer. These youngsters are going to be exposed to firearms sooner or later. Why not start them off right with proper supervision in a safe and fun environment?

We look forward to seeing you on November 18<sup>th</sup> for the second match of three for the Fall Series. As usual, the matches start at 10am and end at 7pm on the day of the event. Please keep in mind that shooters must participate in at least two of the three scheduled matches in any given series to qualify for the prizes awarded for that series, including a FREE GLOCK! Bring a friend!
